16 WEDDING PHOTO FINALISTS

We asked wedding industry professionals and recent brides to submit photos for our first-ever cover contest, and the response was astounding. After selecting 17 finalists from more than 50 submissions, we factored in reader feedback with editorial discretion to choose the cover and runners-up featured in this issue.

They say mother knows best, and on your wedding day, the old adage rings true. With that in mind, we sought words of wisdom from our own mothers to offer advice based on their personal experiences.
